

SWING INTO SPRING MAY 22, 2010
"THE WILD, WILD WEST"

Howdy pardners! It's time to saddle up and get your place reserved for Swing Into Spring when we celebrate those American frontier days. You can do just that by contacting Bob and Nona Vierkant and sending your check for \$27.50 per person. Remember, we cannot reserve a place for you without your payment. The format remains the same as in previous years and we reckon you know that, but if not, we'll be happy to explain it to you. Wild west costumes are left to your imagination but if you prefer, you are welcome to come in dressy casual or formal attire. This event is open only to Voyager Village POA members and their guests. Our limit is 142 attendees and we ask that you register as soon as you can. It saves us a lot of last minute work and assures you of attending. If for some reason you are unable to register before May 14, 2010, kindly give us a call to make sure that we have room for you. Contact us at bobandnona@centurytel.net or 715.259.7791.
