

Silence Is Golden

Voyager Village offers groomed trails for skiing and snowshoeing enthusiasts.

Enjoy the serenity of a "silent sport" in the beauty of the northwoods.

The golf course is groomed for skate and classic skiing. The winding trail is a mix of gently rolling and flat terrain following the front nine of the golf course--great for the whole family.

The back nine offers a slightly more challenging grade, but the scenery is worth it! Hanscom Lake and Muellner trails are groomed for classic skiing and snowshoeing in a deep woods setting.

Voyager Village is located off County Road A between Webster & Spooner
