Voyager Village Amenities

By now, you've probably heard that COVID-19 has made us change the way that we're operating. As we navigate this difficult path together, we would like to update you on the status of our amenities at the time of this E-News publication. Although dining has been reduced to curbside pickup only, our other amenities are still open in some capacity. Golfers can still check in at the golf shop and use it to get snacks and beverages. Our pools and fitness area are also both open, with a limit to 20 people at a time in the pool and four in our fitness area. Keep an eye on your inbox and on our Facebook page for up to date news on COVID-19 restrictions.

Golf and Dining News

A note from your Golf and Recreation Director

Ryan Christopherson

Golf and Recreation

Well it looks like fall is here! We have had a great season so far with hopefully another month or so left to go. Thank you to everyone who came out to play and or donate to the Webb Lake First Responders! If you would still like to donate, you can write out your check to the Webb Lake First Responders and drop it off in the Golf Shop or the POA office, we will take donations until October 9th. So far to date we have raised \$7,300; nice work, let's get to \$10k! Unfortunately, we had to cancel the Solheim Cup this weekend, but the men's Ryder Cup will go on as planned. We have lower numbers than usual, but we will still make it a great time!

Boat Docks

We will begin removing the docks on October 5, so please have your boats removed by then unless your slip is on a permanent dock. Once docks are removed, we will be doing necessary maintenance on them before winter sets in. There are five permanent docks which includes both docks at West Cadotte, one at North Shoal, the right most dock on Birch Island next to Lodge and the right most dock at Little Bear. If there are spaces empty on these permanent docks (check early in the morning) and if you want to use your boat

Curbside Pickup

With COVID-19 cases on the rise in our area, we have made several changes to our services during the last couple of weeks, all which has kept safety of our employees and members in mind. We are now currently offering curbside delivery every day from 11am to 8pm, or you may enjoy your meal or a drink on the deck. Just call ahead, place your order, get a time for pick up and pull up under the awning by the front doors and we will bring out your order. Don't forget to check your email and Facebook for updates, and upcoming information on take and bake specials. Look for our Fall Fest Meal Deals coming our soon!

Food and Beverage Survey

Let us know how we're doing with the following survey link. If there are any take and bake items you would like to see added to our menu, there is a section of the survey to add those as well.

Happy October!

Out and About

A note from your General Manager

Steve Johnson

for one or two more weeks feel free to do so.

Fall Cleanup

Don't forget that fall is a great time to hire our maintenance staff to come out with our blowers and sweepers and help you make short work of cleaning up your yard or taking care of your tree issues.

Fall Fest

This year, Fall Fest will commence in a limited and COVID-friendly manner on the days of October 16th and 17th. We will be setting up and carving pumpkins as usual, and they will be lit starting Friday, October 16th and remain until Halloween. There will not be a typical lighting of the pumpkin ceremony. Hayrides will be running on the 16th and 17th from noon until 6pm. Pickup will be at the tennis/playground area every half hour, but you must sign up ahead of time for a slot. To reserve a time, please call the golf shop and identify the size of your group and how many children under the age of 16 there will be. Masks and some sort of gloves will be required. The max load will be 8 people, unless all members share a household.

Throughout Fall Fest, the fire pit will be going each night if you would like to cook a hot dog or smore, but you must bring your own supplies and exercise social distancing. Our mini putt, par 3 and foot golf courses will all be set up with a special Halloween theme and be made kid friendly.

Finally, the Johnson nature trail at the Chalet (28441 Chalet Rd) will be open with a special Fall Fest theme and a scavenger hunt from Friday the 16th through the end of the month. The informational signs on the trail should be left open, so they can be read without needing to be touched.□ We are hopeful that next year we will return to some of our more normal favorite events for

GM's Thoughts

I just want to thank the members and staff for stepping up and sticking together to make this difficult year a successful one. I know by working together we will continue to thrive as a community. I have seen so many incredible acts of kindness in our Village. People have volunteered to make so many community projects happen, supported so many local organization, I have seen a member give money to staff to help fund their quest to get a college degree, countless, neighbors lending each other a helping hand and staff giving up so much of their personal time to fill in roles and hours where needed. With that spirit in mind I want you all to be reminded that Saturday Oct 24th, 2020 as its "Make A Difference Day". If you know someone in the community that needs a helping hand with something that you can't give them a hand with give me a call 715-259-3924 and we will see what we can do for them.

-Steve Johnson

Voyager Village Photo Contest

We're still looking for photos! Congratulations to Kathy Altman for winning first place for August's submissions, and Jody Waletzki for being the runner up! Once your gift cards are ready we will email you using the address you used to submit your photos. Stay tuned for the top three picks from September's submissions to appear on our website for voting!

This month is going to be our final month that we accept submissions! After the winners are chosen in November, our 2021 Voyager Village calendars featuring photo submissions will be available for purchase. If you have a photo that you would like to submit, please send it to voyagervillage@voyagervillage.com. We have received so many submissions throughout the year and are thrilled so many members are taking part in this community event.

First Place Entry by Kathy Altman
