

**VOYAGER
VILLAGE**
Live. Play. Gather.

TRAIL SYSTEM

The Voyager Village trail system was the vision of Roseanne Berg as the chair of Voyager's trail committee. Under the direction of Betty Paskuasky and a host of volunteers, the trail system is not a reality and extends from the Voyager Clubhouse to the Voyager Event Center. The beautifully wooded and scenic trail system is maintained by the trails committee and the ski club. Pets are welcome on all trails except the Front and Back Nine Ski Trails. For more information on trail conditions and events, visit voyagervillage.com or contact Betty at bpasky-
